Subject:- Election of the Vice-President of Yelandur Minor Municipal Council

---

In forwarding herewith the file of correspondence ending with report No P C 3/44-45 dated 22nd October 44 received from the Deputy Amildar President, Yelandur Minor Municipal Council on the above subject, I have the honour to state as follows -

The Special Meeting of the Municipal Council for the election of the Vice-President had been held under the Presidentship of the Taluk Sheristedar The Deputy Amildar President has erred in thinking that Section 10 (6) of the Minor Municipalities Act could be applied on occasions when he had to go out on duty, and in ordering that the Sheristedar may preside over the Municipal Meetings The place of the President was not vacant and the Deputy Amildar continued to be the Ex-Officio President even on 15-10-1944 inspite of his absence from headquarters Under Rule 5 of the Rules for the Election of Vice Presidents in Minor Municipal Councils, the Councillors ought to have selected one among themselves who is not a candidate to preside over the meeting However, as there was no contest in this case and as Mr S Lakshminarayana Rao, B A , was the only candidate and as he should be deemed to have been elected under Rule 6 (1), I am of opinion that the irregularity referred to above may be condoned and the the election of Mr S Lakshminarayana Rao as Vice President may be approved

No objection petition contesting the validity of the election has been received in this Office so far

Election appeal No 1944-45

Appellant:

A Srinivasachar, Municipal Councillor, Yelandur

Vs

Respondent

S Lakshminarayana Rao, B A, Municipal Councillor, Yelandur

The appellant above-named begs to prefer this appeal against the decision of the learned Deputy Commissioner, Mysore District, dated 7-9-'44 on the report P C 2 of 44-45 dated 14-8-44 from the Deputy Amildar, President of the Minor Municipality of Yelandur and the election of the Respondent as the Vice-President and set forth the following among other grounds of appeal

1) That the application of the appellant being the only one in time and the other two beyond the time fixed, the learned Deputy Amildar, President was right in rejecting them and putting the same on the notice board

2) That the learned Deputy Amildar himself being the polling officer should have declared the appellannt as Vice-President and sent the paper for confirmation to the Deputy Commissioner

3) That the learned Deputy Amildar, President was wrong in hearing objections and sending the report noted above and soliciting instructions from the Deputy Commissioner

That the learned Deputy Commissioner should

overruled the objections of the Respondent as all the applicants i e , candidates for the Vice-Presidentship and the Municipal Councillors were fully aware of the publication of the calendar and had been notified That the calendar has been published as per resolutions of the Municipal Council to which all the candidates were parties That the candidates did not at the time raise any objections with regard to the hour being fixed, that the respondent was in law estopped from raising any such objection and the learned Deputy Commissioner -- should have held that the Respondent was so estopped and that the Respondents objections were untenable

5) That the learned Deputy Commissioner was wrong in his interpretation of Rule 3 referred to in the ~~xxxxxx~~ order That the decision arrived at by him upholding the objection of the respondent and directing that a fresh resolution be passed by the Council and an election of the Vice President held was wrong

The appellant therefore prays that the Government be pleased to order that the decision of the learned Deputy Amildar, President in rejecting the applications filed beyond time was correct and hold that the instructions sent by the learned Deputy Commissioner in his decision passed on 7-9-44 were wrong and therefore the fresh election held and the election of the Respondent as Vice President was not according to Law and that it may be cancelled and the appellant be declared as the Vice President of the Yelandur Municipality

---

With reference to your memo No L 4434 dated 4th November 1944 and in continuation of this office letter of even number dated the 24th Novemver 1944 on the above subject, I have the honour to state as follows -

The minor municipal council of Yelandur was re-constituted with effect from 1-7-1944 in accordance with this office notification No D3 C 3703 of 43-44 dated the 28th June 1944 The re-constituted municipal Council resolved at their meeting held on 22-7-1944 to have a Vice-President In accordance with this resolution, the President of the Municipal Council issued a meeting notice stating that the election of the Vice-President would take place in the meeting which was fixed to be held at 4 P M on the 13th August 1944 This notice was circulated among all the members of the Municipal Council under Rule 3 of the Election Rules, the President fixed 5 30 P M on 5-8-1944 as the last date for the receipt of nomination papers Three nomination papers were received - one proposing the name of the appellant Mr A Sreenivasachar, another in favour of Mr S Lakshminarayana Rao, B A and a third suggesting Mr Y L Shivanna Of these, the first one proposing the name of Mr A Sreenivasa Char was received at 5 25P M. i.e , within 5 30 P M on 5-8-1944, while the remaining two were received at 7 and 7 30 P M respectively on the same date The President of the Municipal Council accepted the nomination paper in which the name of Mr.A. Sreenivasachar had been proposed as it had been presented within the prescribed time He rejected the remaining two nomination papers on the ground that they were received late On 13-8-1944 when the Municipal Council met to hold the election of the Vice-President, an application signed by 10 Municipal Councillors was presented to the President stating that all the nomination papers sent on 5-8-1944 were in time as all of them had been presented or received 7 days before the date of election viz , 13-8-1944 and objected to the declaration of Mr A Sreenivasachar as the Vice-President under Rule 6 (2) The President recorded this in the meeting proceedings In this meeting 13 Councillors were present Of these all the members excepting Mr A Srinivasachar were unanimously of opinion that all the 3 nomination papers should be deemed to have been received in time The President, therefore, sought for instructions from this Office

The case was examined in this Office and as all the nomination papers had been received within the prescribed time limit of 7 days before the date of election in accordance with Rule 3 of the Election Rules, the said election proceedings were cancelled and a fresh election was ordered to be held according to Rules At the same time, it was ordered that a fresh resolution of the Municipal Council might be obtained as the time limit of one month from the date of the resolution of the Municipal Council to have a Vice-President had expired by this time In accordance with this order, the President conducted a a fresh election in which Mr S Lakshminarayana Rao, B A , came out successful and a report to uphold his election as Vice-President of the Yelandur Municipal Council was sent with this Office letter No D3 C 1168 of 44-45 dated the 17th November 1944 But, this election has also been set aside by Government as per your letter No L 5613-ML-42-44-88 dated the 8th December 1944 Accordingly the President of the Yelandur Minor Municipal Council has been instructed to take action for holding the re-election

The connected records and the appeal petition, in original, forwarded with your Memo No L 4434 dated the 4th November 1944 are sent herewith for reference
